FROM THE DIRECTOR

Joining the Friends of Grafton Regional Gallery is a great way to meet new people, participate in the vibrant arts scene of the Clarence Valley and support the Grafton Regional Gallery.

The Friends has had a long standing history of supporting visual arts in our community. From the foundation of the Jacaranda Art Society the Friends of Grafton Regional Gallery formed in 1991.

The group has gone from strength to strength since then and is major sponsor of the nationally recognised Jacaranda Acquisitive Drawing Award (JADA). Each year the Friends present an exciting program of events to fundraise for the JADA and support the Gallery through acquiring artworks for the collection, supporting projects and sourcing equipment to enhance the Gallery program.

I hope to see you at a Friends event soon.

ABOUT FOGG

The Friends of the Grafton Gallery (FoGG) has been a long standing support service for the Gallery since 1991 incorporating later that year. The first meeting of FoGG set out the parameters for their exciting activities including fundraising, raising awareness of the Gallery amongst the community and assisting with Gallery events and purchases, including being the Major Sponsor for the biennial Jacaranda Acquisitive Drawing Award (JADA) by contributing \$20,000 towards the first prize.

FoGG has continued a varied program of fundraising vehicles, with 'Soup Day' which began in 2000 becoming a highly anticipated annual Winter event. Over the years, the Friends have purchased a number of items that have assisted in vastly improving Gallery program's and operations.

The dedicated committee has evolved over the years with a number of members serving to this day. Your continued membership helps us to fulfil our aims for the incredible support for our Gallery.
